

The Firs Care Home, Witheridge

The Firs family have had a busy few weeks. We have had lots of outside activity making the most of the dry weather. Our flower beds, planters and hanging baskets are in full bloom thanks to some of our green fingered residents who love to help our Activities Coordinator in the garden. It is so lovely to see our residents pottering around the garden enjoying the summer weather. We have also been able to have weekly trips to Two Moors café for a cup of tea and slice of cake which always goes down well.

As mentioned in the Spring issue of Witheridge Voice we are holding our open day on Saturday 21st September between 10am-2pm. All proceeds will be going to our chosen charity this year which is Dementia UK. South Molton Town Band will be providing entertainment throughout the day. There will also be an ice-cream van, refreshments served by Witheridge Brownies and Guides, games for the children including a treasure hunt around the garden, lucky dip, arts and craft, a tombola (any prize donations gratefully received) and various stalls - if you would like a stall, please contact our manager Pip on 01884 860679 or email: pip.smith@southwestcarehomes.co.uk.

Come along, bring your family and friends, join in the fun and meet "The Firs Family".

We have a fantastic team here at The Firs, we are always keen to hear from anyone interested in joining, so please do get in touch with our Manager Pip on the number above.
